

ClearCorrect terms & conditions

Introduction

The following terms and conditions (“Terms and Conditions”) comprise a binding contract between You and ClearCorrect Operating, LLC, a company with its principal place of business at 21 Cypress Blvd., Suite 1010, Round Rock, TX 78665 (“we”/“us”/“ClearCorrect”). You and ClearCorrect may each be referred to herein as a “Party” or collectively as the “Parties”. By placing an order with us, you agree to be bound by these Terms and Conditions.

Orders and treatment setups

ClearCorrect manufactures custom orthodontic devices (“Appliances”) designed to adjust or retain the position of patients’ teeth based on doctors’ prescriptions. When both arches are being treated, a pair of Appliances (one for each arch) is referred to as a “set” (or “step”). When only one arch is being treated, one Appliance constitutes a set or step.

You can prescribe Appliances on our website for doctors (“Doctor Portal”). You may restrict treatment to a specific number of Appliances, or allow us to recommend a number of Appliances appropriate for your prescribed goals, based on our standard movement protocols.

If your prescription requires the design of new Appliances intended to move teeth (“active” Appliances), we will generate a 3D representation of the Appliances to be produced, based on your prescription (a treatment “setup”), for your approval. We won’t start producing Appliances until you approve a treatment setup. You will only be charged for treatment setups when you approve them.

If you only prescribe Appliances intended to retain the position of teeth (“passive” Appliances) or reproductions of existing Appliances, a treatment setup will not be generated.

An “order” is placed when a treatment setup is approved (or, if a treatment setup is not needed, when Appliances are prescribed). Payment is due in full when an order is placed. To the extent permitted by applicable law, overdue payments may be subject to finance charges computed at a periodic rate of 1-1/2% per month (18% per year). Amounts owed by you with respect to which there is no dispute must be paid without setoff for any amounts which you may claim are owed by us and regardless of any other disagreements which may exist. You shall also pay or reimburse us for all costs and expenses (including reasonable attorneys’ fees) incurred or paid by us in collecting amounts due from you or in enforcing your

obligations hereunder.

Treatment Plans

We offer six different pricing options:

- The FLEX fee will cover the exact amount of planned aligners, and treatment setup fees. By selecting the FLEX plan, additional fees are required for any revisions, replacements, or retainers.
- The MINI fee will cover up to 12 steps of aligners, including one revision with up to 12 sets of aligners, and treatment setup fees. Retainers and replacements are not included in the MINI package cost. Revision order must be submitted and approved within 6 months from date the first Appliance is shipped to be included in the MINI package. After MINI treatment expires, you may order additional products at standard FLEX prices.
- The ONE fee will cover up to 24 steps of aligners, including one revision with up to 24 sets of aligners, one set of retainers, and treatment setup fees. Replacements are not included in the ONE package cost. Revision and retainer order must be submitted and approved within one year from date the first Appliance is shipped to be included in the ONE package. After ONE treatment expires, you may order additional products at standard FLEX prices.
- The TWO fee will cover up to 48 steps of aligners, including two revisions with up to 48 sets of aligners each, two sets of retainers, and treatment setup fees. Replacements are not included in the TWO package cost. Revision and retainer orders must be submitted and approved within two years from date the first Appliance is shipped to be included in the TWO package. After TWO treatment expires, you may order additional products at standard FLEX prices.
- The THREE fee will cover up to 72 steps of aligners, including three revisions with up to 72 sets of aligners each, three sets of retainers, and treatment setup fees. Replacements are not included in the THREE package cost. Revision and retainer orders must be submitted and approved within three years from date the first Appliance is shipped to be included in the THREE package. After THREE treatment expires, you may order additional products at standard FLEX prices.
- The UNLIMITED fee will cover an unlimited number of steps of aligners, including unlimited revisions, unlimited replacements, unlimited sets of retainers, and treatment setup fees. Revision and retainer orders

ClearCorrect terms & conditions

must be submitted and approved within five years from date the first Appliance is shipped to be included in the UNLIMITED package, and retainers can only be ordered two sets at a time, every six months. After UNLIMITED treatment expires, you may order additional products at standard FLEX prices.

We may offer you the option to upgrade from one pricing option to another pricing option; for example from a MINI to a ONE plan, or from a ONE to TWO. Such upgrades may allow for additional steps, additional revisions, and/or additional retainers within the same case without purchasing those additional products and services at FLEX pricing. Availability, terms, and pricing of such upgrade opportunities will be at ClearCorrect's sole discretion and are subject to change at any time and without notice. The case start date for any upgraded case will be the original start date of the case, but the case expiry date would be extended as specified in the upgrade offer. Any upgrade fees would be due when the upgrade is ordered.

Retainers

Retainers can either be based on a previous step or on new impressions or scans. During Unlimited Treatment, you may order up to two sets of retainers every six months at no additional cost. During ONE Treatment, you may order up to one set of retainers at the end of treatment, within one year from date the first Appliance is shipped at no additional cost. During TWO Treatment, you may order up to two sets of retainers at the end of treatment, within two years from date the first Appliance is shipped at no additional cost. During THREE Treatment, you may order up to three sets of retainers at the end of treatment, within three years from date the first Appliance is shipped at no additional cost. All other retainers are available at standard Flex prices.

Revisions

If your patient's teeth do not move as expected, you may request a "revision" for any patient treated with ClearCorrect Appliances. A new treatment setup will be created, starting from the current position. Minimal adjustments can be accommodated to the final set up during revision, like reducing expansion, overcorrection of rotation, or virtual elastics; but comprehensive re-planning of the final setup will not be possible except with the UNLIMITED treatment option. With the Unlimited treatment option, revisions are available at no additional cost for 5 years from date the first Appliance is shipped. Under the MINI treatment option, one revision with up to 12 steps is included within six months from date the first

Appliance is shipped. Under the ONE treatment option, one revision with up to 24 steps is included within one year from date the first Appliance is shipped. Under the TWO treatment option, two revisions with up to 48 steps each are included within two years from date the first Appliance is shipped. Under the THREE treatment option, three revisions with up to 72 steps each are included within three years from date the first Appliance is shipped. All other revisions are available at standard Flex prices. Revisions may be based on new scans or impressions, or on a previous step.

Pricing

Products and prices are inclusive of taxes where permissible and assessed in a separate invoice in other instances. Prices are subject to change. We reserve the right to offer alternative products and pricing to individuals or groups at our sole discretion. We are not responsible for any taxes or fees that third parties may charge you, including foreign transaction fees.

Appliance Restrictions

We reserve the right to refuse to apply vouchers, coupons or volume discounts to select services or products at ClearCorrect's sole discretion. We reserve the right to terminate our relationship with you, which may include ending Unlimited Treatment early without refund, in our sole discretion including if you fail to comply with these Terms and Conditions.

Volume discounts

Volume discounts may not be combined with other discounts.

Cancellation and refunds

All sales are final. If an order is cancelled for any reason, we will not credit or refund any portion of the fees paid for that order.

Legacy cases

Orders placed before Flex pricing was made available to you ("legacy cases") are subject to the following considerations:

- Open cases: If a legacy case is open and has never been closed, additional products ordered for that case will be subject to the pricing, terms & conditions in effect for that case before Flex pricing was made available to you. Legacy cases may not be held open indefinitely. Legacy Unlimited cases are not entitled to the additional benefits of Unlimited Treatment described

ClearCorrect terms & conditions

in these Terms and Conditions, such as multiple sets of included retainers or five full years of treatment.

- Closed cases: After a patient's legacy case closes for the first time, any additional products or Appliances ordered for that patient will be treated as new orders at Flex pricing, subject to these Terms and Conditions.

Records

In addition to any required patient, provider, and treatment information, the following records must be provided in a timely manner.

For all new patients:

- Scans or PVS impressions of both arches
- Photos from multiple angles (full face, smiling, profile, upper & lower occlusal, left & right lateral, and front)

For any retainers that are not based on a previous step:

- Scans or PVS impressions of requested arches

All records must accurately represent the current condition of the patient's teeth. You are solely and entirely responsible for the accuracy of the records you provide, and for maintaining same. Distorted or incomplete scans and impressions may impact the fit and performance of Appliances. We will not be liable for any issues caused by inaccurate records.

Digital x-rays are recommended, but not required. Photos and x-rays may only be submitted via the Doctor Portal. Hard copies of records may be shipped to ClearCorrect or an authorized regional representative. These and all other submitted materials become the property of ClearCorrect and will not be returned. Additionally, any treatment records submitted through the Doctor Portal; included but not limited to STL files, physical impressions, bite registrations, x-rays, or any other submitted records become the property of ClearCorrect and will not be returned. Alginate impressions, stone models, and metal impression trays will be rejected.

Shipment and delivery

After an order is placed, all planned Appliances will be shipped together (if purchased under FLEX or MINI pricing), or periodically in phases (if purchased under ONE, TWO, THREE, or UNLIMITED pricing). We shall not be liable for any damages, losses or expenses that you incur if we fail to meet targeted delivery dates.

Title and risk of loss of all Appliances shipped to You are FOB shipping point.
