

To keep our patients and staff safe, we are adhering to the most up to date guidelines provided by the Centers for Disease Control and Prevention (CDC). To enter this office, you must:

Wear a mask or face covering during your entire visit

Be prepared for a temperature check and health screening

Remain 6 feet apart

Please sanitize your hands when you enter the office and as often as you'd like

Sneeze into your elbow and please cover your cough

If you are sick, please do not enter the building.

Thank you for adhering to these guidelines to help keep our community safe and healthy.
