

Passion for Precision

MEDENTiKA® has become synonymous with the successful development of high-quality products in dental implantology. With a determined, dynamic team, we have been meeting the challenges of this rapidly growing market for over 15 years. Our products are continuously, innovatively developed, manufactured in Calw, Germany, and sold to more than 50 markets worldwide. The world is growing together, we are all connected and you are in the center of it.

*„Knowledge and experience are not enough.
If you want to make a difference, you need passion.“*

We are looking for you as our new

International Product Trainer (m/f/x).

Your tasks:

- Responsible for the development and implementation of internal training and customer education programs in close cooperation with marketing, product management as well as the sales organizations in the countries.
- Budget planning, action planning, execution and evaluation of all internal training and customer education activities.
- Further development of equipment and adaptation of presentation material as well as updating of sales training courses.
- Planning and execution of courses: instructor for practical courses.
- Provide evaluation reports on customer training program.

Your profile:

- Experienced dental technician, studies/training in dentistry or several years of experience as a trainer in the dental or medtech sector.
- Experience in the field of CAD/CAM and digital planning
- Conceptual experience with digital as well as on-site training formats
- Excellent interpersonal and teaching skills
- Well organized and structured individual with strong results orientation and business acumen
- Presentation skills and the gift to inspire people
- Confident in dealing with different customer segments (KOLs, dentists, dental technicians, salespeople) with effective communication and listening skills
- Fluency in written and spoken German and English is a must, other languages are an advantage
- Willingness to travel up to 50%

What can you expect from us?

- An agile and ambitious environment
- Being part of our dynamic inspired and engaged team and join our inspiring global community
- Open, friendly colleagues who collaborate and support each other
- The freedom to create and engage
- An employer who invests in our inspiring corporate culture.
- The opportunity to develop yourself as a person and in your career. We grow.
- Competitive & fair compensation and benefits

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, or disability.

We look forward to your application!
