

Guarantee Policy Neodent Products

Neodent offers a guarantee for its products sold worldwide by its distributors/subsidiary, as provided in this policy.

1. Scope of guarantee

1.1 The Neodent warrants to dentists, users of its products, the replacement of implants, surgical instruments and prosthetic components used on patients that present defects or adverse events, according to the guarantee periods referred to in item 2, provided they have acquired original products from Neodent, respecting the operating instructions provided by Neodent and subject to the conditions and limitations of warranties described below. This guarantee covers only the exchange of Neodent products; other costs associated with the treatment are not covered, including materials and the treatment itself.

1.2 This guarantee requires:

- a) The legitimate acquisition of original products from Neodent by the dentist without the combination of products with other brands;
- b) The patient's careful selection with clinical indication for treatment with dental implant and the proper use of this therapy;
- c) The patient's informed consent, with proper guidance and clarification by the dentist with regard to treatment options, risks and benefits;
- d) That the patient does not have any contraindication described in the instructions for use before, during or after the implant installation;
- e) The use of the product was carried out in strict accordance with the guidelines and recommendations in the instructions of use for each product;
- f) Compliance with care before and after surgery, as well as proper and regular oral hygiene of the patient;
- g) Documented follow-up visits;
- h) That the prosthesis installed on the implant (or to be substituted) allows the correct occlusion between arches.
- i) That the guarantee claim form is submitted fully completed to Neodent's distributors within 90 days after the occurrence.

1.3 The guarantee is exclusive to the professional dentist, explicitly excluding any right to third parties, patients or intermediate suppliers.

1.4 In case the conditions described in this Guarantee Policy are in disagreement with local legislation the provisions of this will prevail.

2. Guarantee Periods

2.1 Neodent offers the following guarantee periods for its products:

	Implants	Components on implants
Ten (10) years of Guarantee		Titanium and Ceramic Abutments, does not cover customizable and temporary abutments. Replacement by an equal or equivalent metal or ceramic component
