

Straumann Patient App - Unlock all app content

1. The tutorial has a first notification of the unlock option:

TUTORIAL

Welcome to the Straumann Patient Education App. This brief tutorial will show you how to use it.

Go to the next page simply by sliding your hand from right to left. Return to the previous page by sliding from left to right.

The Dashboard provides an overview of the app's contents. Topics include one or more presentation slides. You can start a presentation from any point simply by tapping on a slide.

To unlock all app content, click on the Lock icon and enter your Straumann login information.

Dashboard

You can quickly access these functions from the navigation bar at the bottom of the screen:

Dashboard: Go back to the overview.

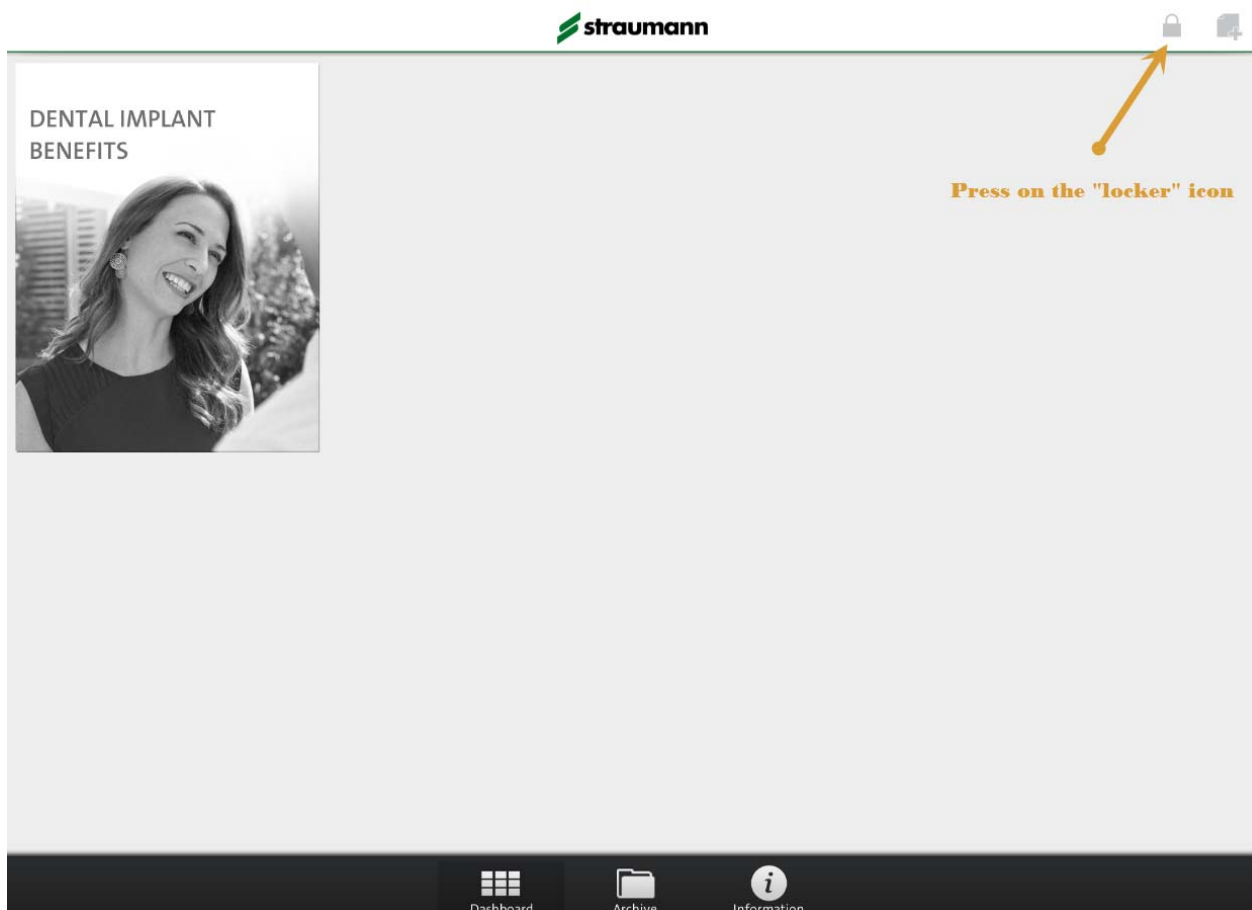

Information: Get help on using the app.

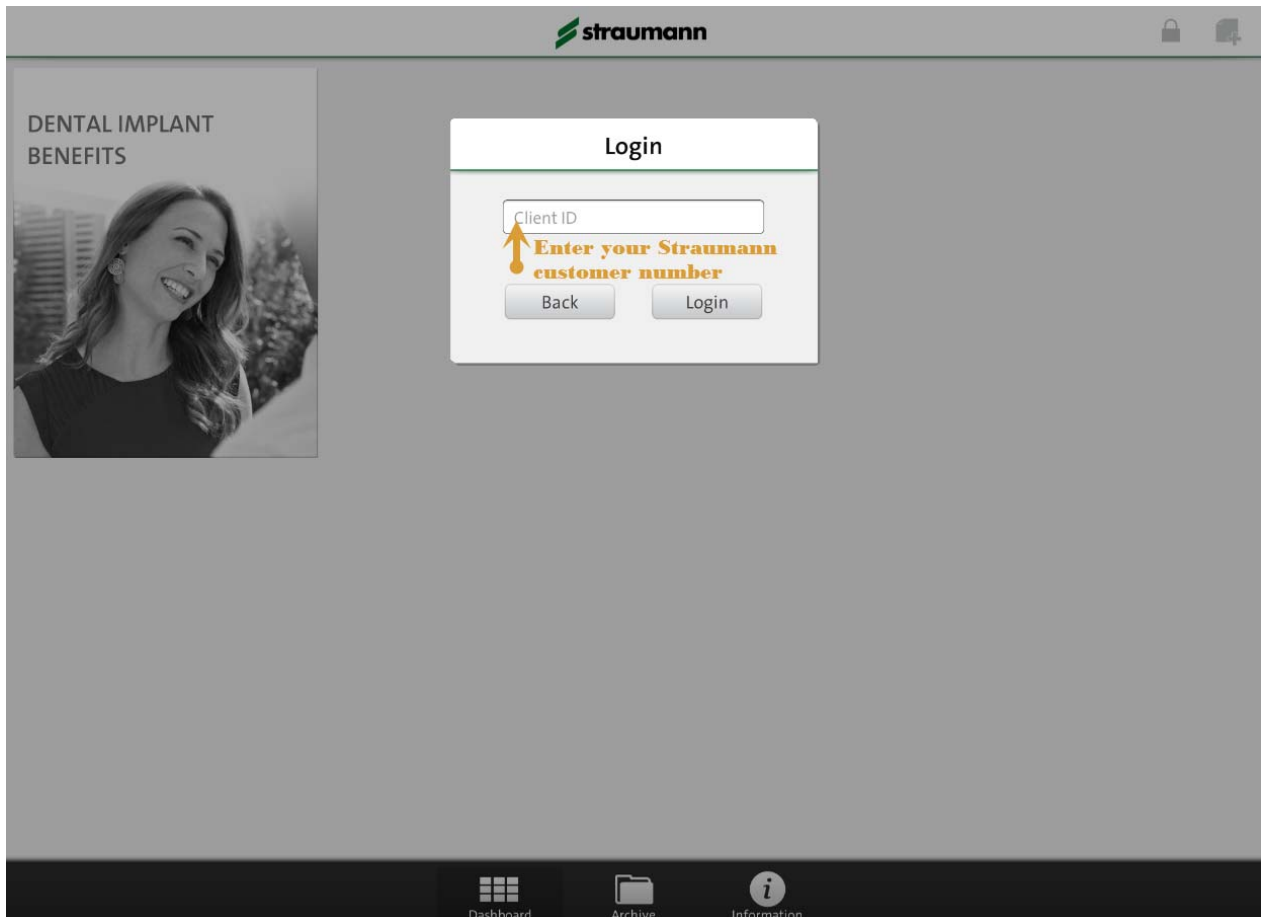

Archive: Contains saved presentations.

2. Press on the “locker” icon at the app dashboard

3. Enter your Straumann customer number and press the “login” button.

4. The full content is accessible now.
