About the ITI

The International Team for Implantology (ITI) unites professionals around the world from every aspect of implant dentistry and related tissue regeneration. As an independent academic association, it actively promotes networking and exchange among its membership. ITI Fellows and Members, who currently number more than 20,000 regularly share their knowledge and expertise from research and clinical practice at meetings, courses and congresses with the objective of continuously improving treatment methods and outcomes to the benefit of their patients.

In 45 years, the ITI has built a reputation for scientific rigor combined with concern for the welfare of patients. The organization focuses on the development of well-documented treatment guidelines backed by extensive clinical testing and the compilation of long-term results. The ITI funds research as well as Scholarships for young clinicians, organises congresses and continuing education events and runs more than 700 Study Clubs around the globe, each offering three to four Study Club meetings per year. The organization also publishes reference books such as the ITI Treatment Guide series.

Important Information

Booking and Allocation of Booth Space

Booking applications should be emailed to usa@itisection.org. A signed reservation form for a booth is regarded as binding. Please also fill out the “Important Company Details” form to ensure we have the correct information for billing and other matters. Priority in the choice of booth allocation will be given according to the package selected. Within the same sponsor category, priority in the choice of booth allocation will be given on a first-come first-served basis.

Participation

Participation in the ITI Congress USA 2026 exhibition is by invitation only. Any companies that have not received an invitation but would like to participate should contact Lois Dolley at usa@itisection.org for more information. The ITI reserves the right of final decision on participation in the Congress exhibition.

Exhibition Goods and Materials

When registering for participation, prospective exhibitors must include a brief description of all the products intended for presentation and sale during the ITI Congress USA 2026. This information is binding and is a precondition for authorization to participate in the exhibition.

Presentation of dental implants and copycat abutments is not permitted at the exhibition.

The consequence of false or incomplete statements prior to the show and/or non-compliance on site will be the exclusion of the exhibitor from the exhibition as well as a fine in the amount of \$20,000. If, for the above reasons, a company's application is declined prior to the congress or a company is excluded on site, the exhibitor will be obliged to bear all the resulting expenses. Fees charged for the booth will not be refunded.

Data Protection

The ITI respects your privacy and is committed to maintaining the confidentiality of your personal information which you provide to us.

The information stored and collected about you, helps us to provide and improve the services you need and we may contact you regarding products and services which we think may be of interest to you or which you may have committed to previously.

Whilst we do not sell, trade or transfer your information to third parties, we may share your information with our business partners for marketing purposes or for the provision of services.

For registration to the respective congress or event, the collection, storage and processing of personal data is unavoidable. This is done solely for the purpose of organizing and conducting the congress or event. The data will only be passed on to third parties who are directly involved in the congress or event and if the organizational process makes this necessary (eg. organiser, congress centre, suppliers for trade exhibition/presentation services). By signing the ITI Congress application form, the respective signatory declares his/her agreement that the information provided, may be recorded, stored, processed and passed on to third parties, according to the respective requirements.

Cancellation Policy

On or before February 1, 2026	75 % refund
On or after February 2, 2026	50 % refund
On or after March 1, 2026	no refund

Force Majeure

Given compelling circumstances beyond the responsibility of the ITI, or in the event of force majeure, the ITI shall be entitled to cancel, postpone or shorten the event in question. If, for one of the aforementioned reasons, the event should not take place, then the ITI shall be entitled to retain up to 20% of the invoice amount by way of general expenses. A claim by the ITI against the exhibitor above and beyond this amount shall arise only if the exhibitor has commissioned special, additional work as the result of which expenses have been incurred.

Evolving Workflows brings together leading minds in implant dentistry to deliver a powerhouse lineup of evidence-based presentations, clinical insights, and cutting-edge innovation.

We'll explore advanced prosthetic solutions for single tooth gaps, the science behind implant longevity, and the clinical power of digital workflows, both in everyday practice and complex full-arch rehabilitations.

Sessions will also dive deep into the nuances of soft tissue management and esthetic zone challenges, all guided by top experts in the field. Whether you're here for the protocols or the prosthetics, expect a program full of science, strategy, and solutions you can bring straight to the chair.
