ENTERPRISE SPECIALTY WORKFLOWS

RESTORATIVE DENTISTRY 360

(RD 360)

RD 360 is an end-to-end DSO solution that streamlines restorative and implant treatment workflows and ensures consistent high-quality clinical outcomes.

HOW RD 360 SOLVES DSO CHALLENGES IN RESTORATIVE AND IMPLANT DENTISTRY

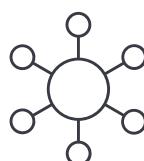

IDENTIFY GROWTH POTENTIAL

Drive same practice growth by shifting to higher end treatments and improving in-practice conversion

DISCOVER EFFICIENCY GAPS

Overcome the lack of efficiency and consistency in implant delivery throughout the network

INCREASE NETWORK SCALABILITY

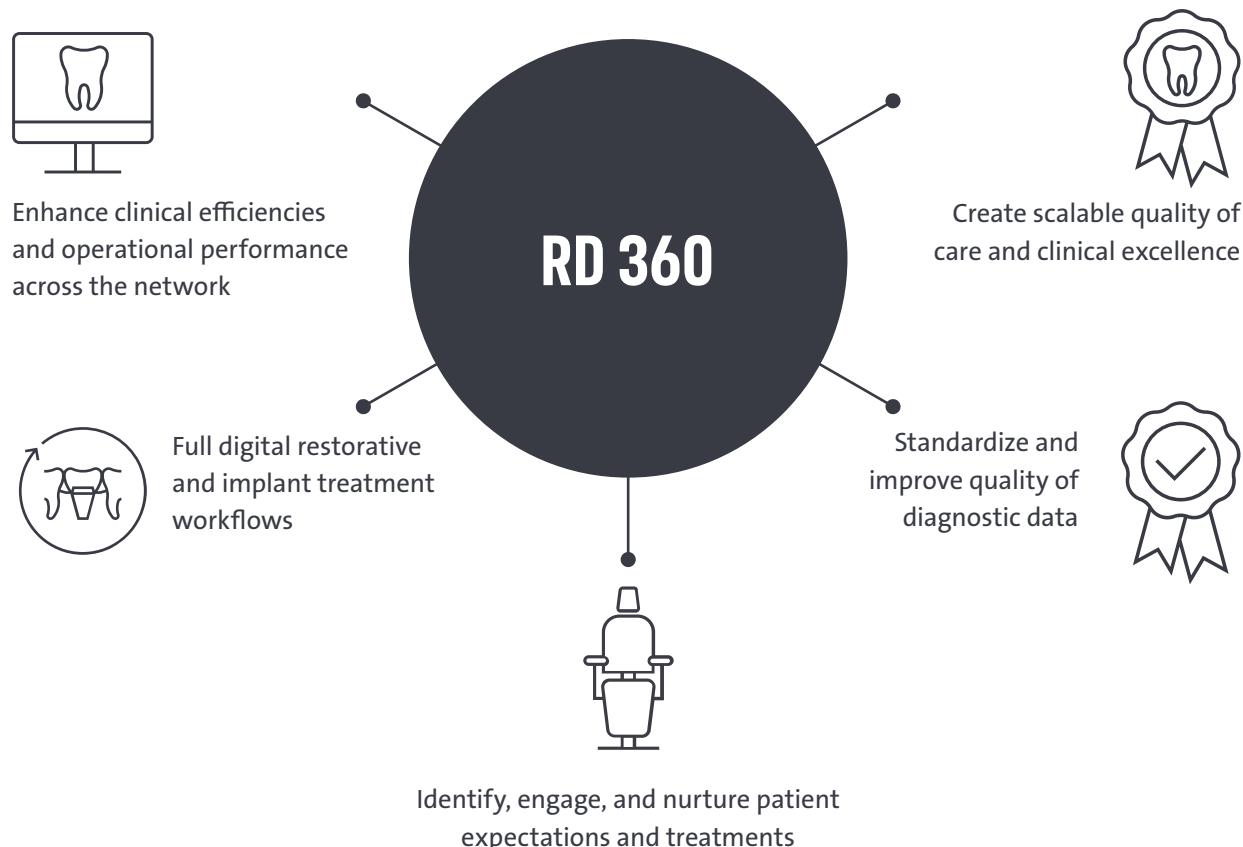

Ensure standardization and create a benchmark for clinical excellence

RD 360 – The holistic patient-clinician pathway with end-to-end solutions

RD 360 transforms operational and quality of care challenges, strengthening practices and networks to be scalable and ensure sustainable clinical excellence.

RD 360 END-TO-END SOLUTIONS

ENTERPRISE SPECIALTY WORKFLOWS

ORTHODONTICS 360

(ORTHO 360)

Ortho 360 provides a higher level of care throughout the orthodontic patient journey and offers premium, interdisciplinary smile design through efficient workflows for a superior patient experience. The result is increased patient acquisition and treatment acceptance for outstanding, predictive outcomes.

HOW ORTHO 360 SOLVES DSO CHALLENGES IN ORTHODONTIC TREATMENT

PATIENT ACTIVATION

Acquire new patients interested in clear aligner treatment or reactivate the existing patient base

CLEAR ALIGNER CONVERSION

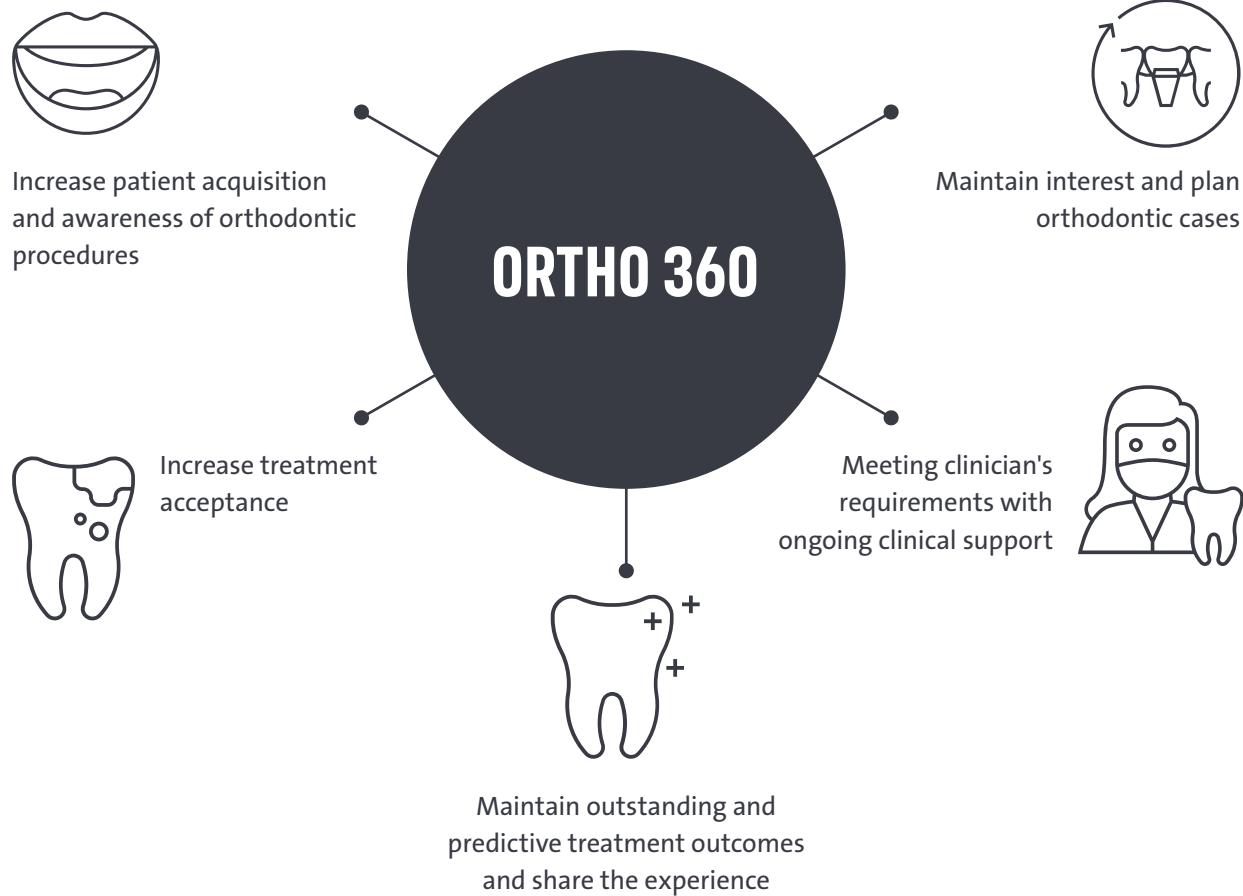

Effective conversion and retainment along the orthodontic pathway, enhancing patient satisfaction and treatment

Ortho 360 – Premium, interdisciplinary smile design through efficient workflows.

Ortho 360 supports clinical activation programs and advanced demand generation so DSOs can increase their orthodontic acquisition, providing effective conversion and retainment along the orthodontic patient journey.

ORTHO 360 GROWTH OPPORTUNITIES

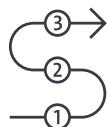

ENTERPRISE OPERATIONS CARESTACK ALL-IN-ONE CLOUD PMS¹

CareStack is the all-in-one, cloud-based Practice Management Solution (PMS) for dental professionals who aim to achieve operational efficiencies, clinical excellence, and growth.

Through centralized automation and analytics, CareStack enhances performance and unlocks the full revenue potential of dental practices.

HOW CARESTACK SOLVES DSO CHALLENGES IN PRACTICE OPERATIONS

ACHIEVE OPERATIONAL EFFICIENCY

Fill practice schedules, optimize revenues, and unify diverse workflows.

INCREASE REVENUE COLLECTION

Automate RCM operations and billing to increase practice productivity, profitability and growth.

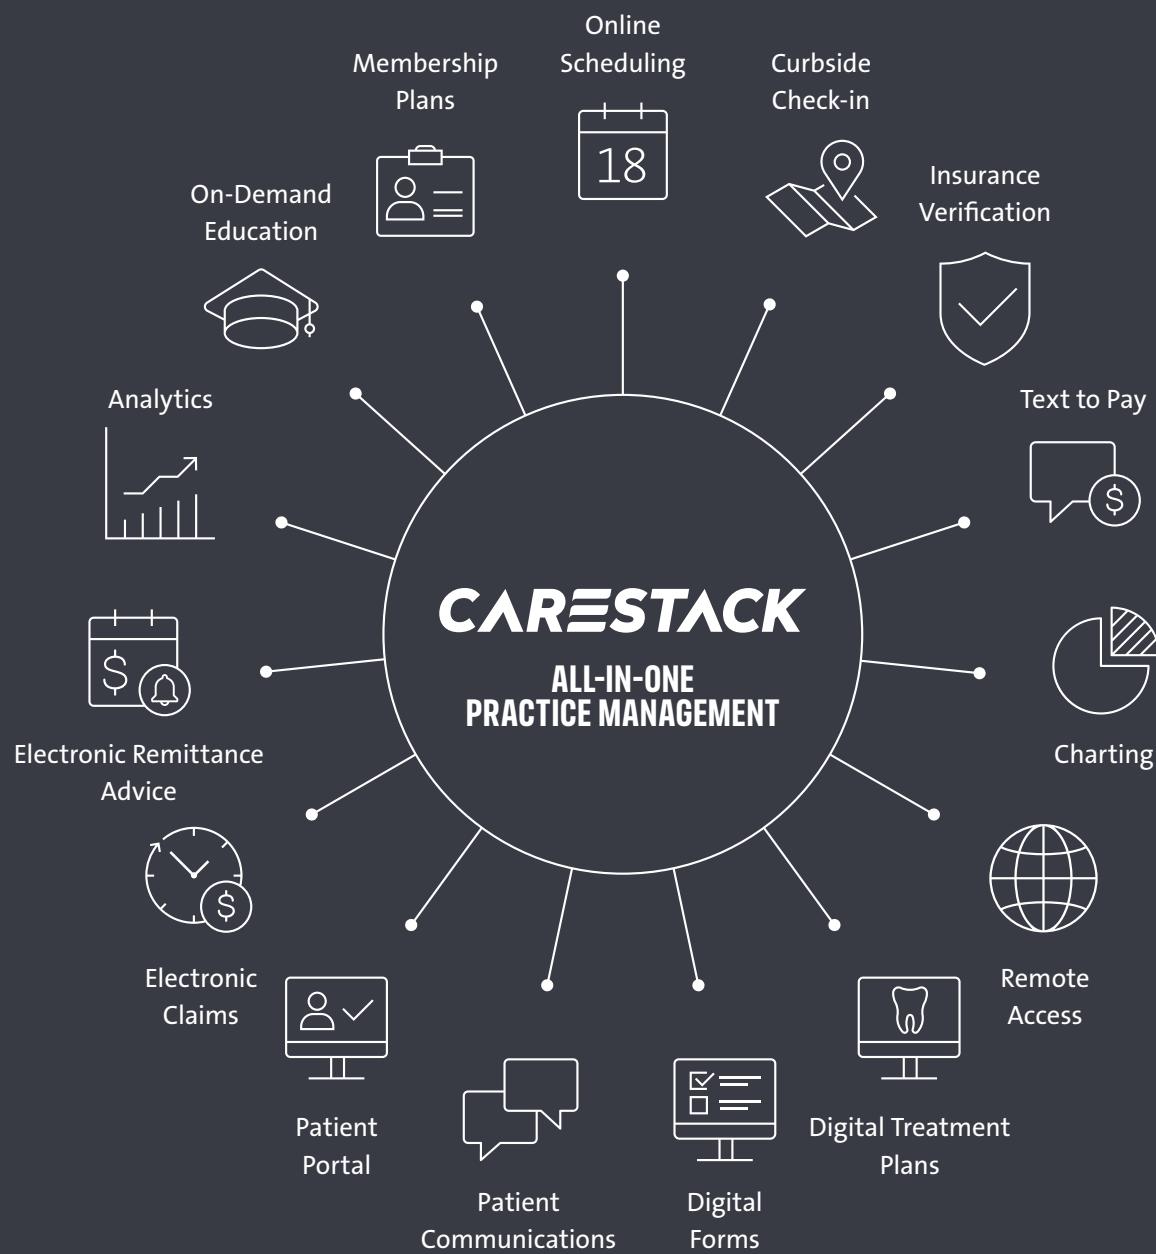

ACTIVATE GROWTH POTENTIAL

Improve practice performance with real-time analytics and reporting to ensure data transparency and accuracy.

¹ Practice Management System

**Practice Management Software –
The central nervous system of a dental organization.**
CareStack offers a holistic range of features including scheduling, clinical operations, billing, patient engagement, and reporting, all on a single cloud-based platform.

QUANTIFIED BENEFITS OF SWITCHING TO CARESTACK²

- ✓ 307% return on PMS investment over 3 years with a payback period of less than 6-months.
- ✓ Fill your schedules, optimize revenues, and consolidate systems. Total benefits of \$1.7 million within 3 years.
- ✓ Enable faster collections and significantly boost production. Days of collection reduced by 35%, and production boosted by 40% in the third year of implementation.

² According to "The Total Economic Impact™ Of CareStack", the October 2023 commissioned study conducted by Forrester Consulting on behalf of Straumann. Results are based on a composite organization representative of interviewed customers, assumed to have 10 locations, over three years

ENTERPRISE SERVICES

ENTERPRISE ACADEMY

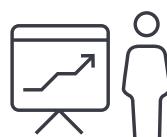

Enterprise Academy enables DSOs to activate growth potential through scalable learning programs and hands-on mentorships, driving clinical adoption of new technologies and improving clinical excellence.

HOW THE ACADEMY SOLVES DSO CHALLENGES

STANDARDIZE CLINICAL OUTCOMES

Deliver and maintain clinical excellence across practices and throughout the patient journey

IMPROVE COMPETENCY ACROSS PRACTICES

Ensure clinicians and staff are trained within a unified framework built on the latest knowledge, technologies and expertise

BUILD CONFIDENCE IN COMPLEX DENTAL CARE

Through high-quality, online and in-person training, equip clinicians and staff to confidently master challenging and complex procedures

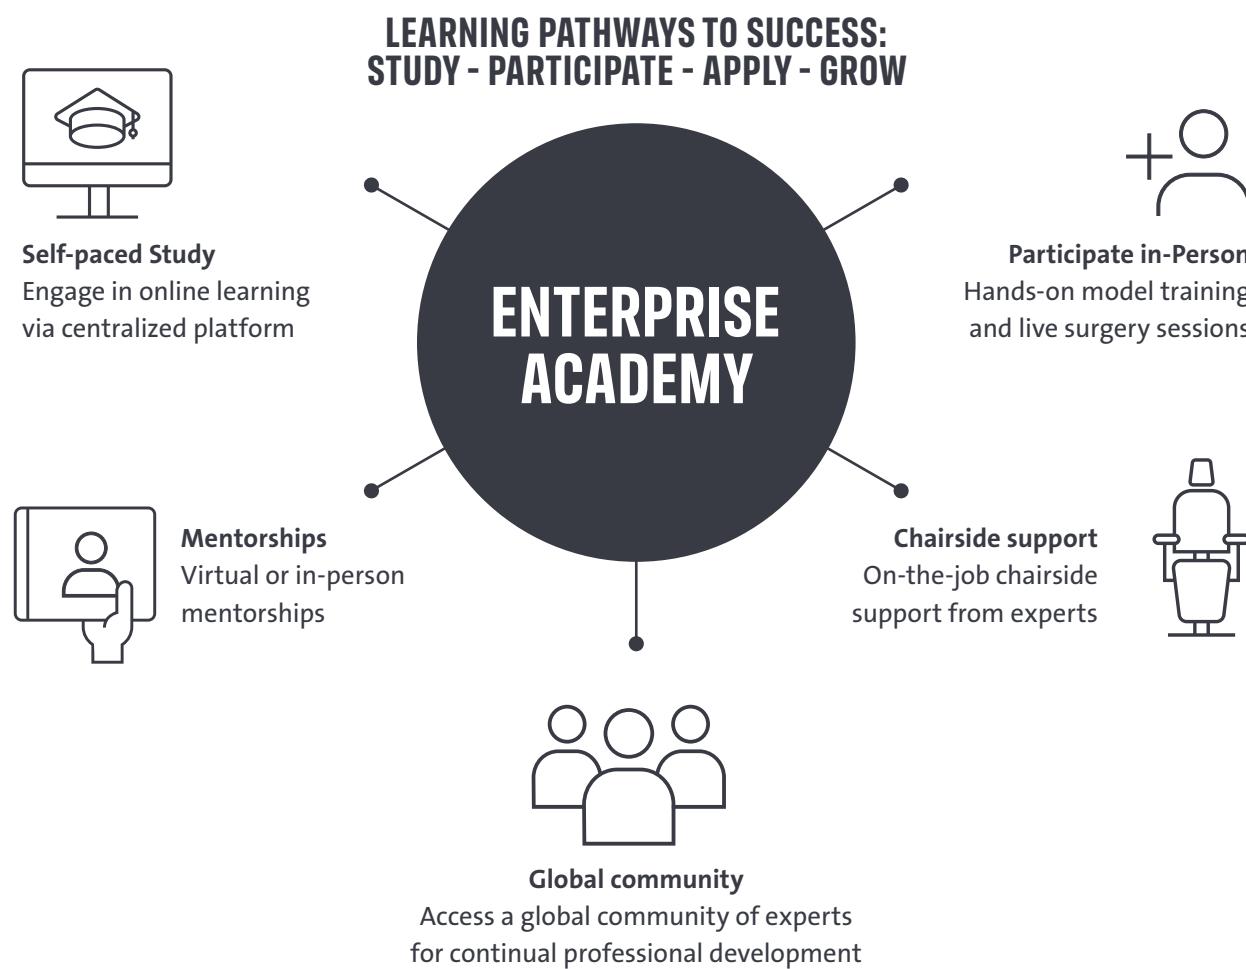

ENHANCE TALENT ACQUISITION AND RETENTION

By encouraging clinicians and staff through continued training, DSOs not only strengthen their talent base but attract new and motivated professionals seeking to build their skills

Enterprise Academy – From learning to leading with scalable curricula

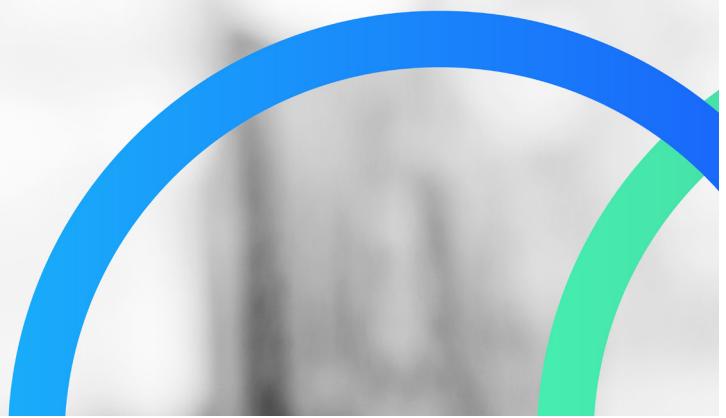

Transform practice operations and success through comprehensive learning pathways to improve clinical outcomes, increase team confidence in complex procedures, and establish new technologies, thereby boosting patient satisfaction and retention.

ENTERPRISE SERVICES

ENTERPRISE

CONSULTING

Enterprise consulting is for DSOs wanting to drive practice growth. Crafted by dental industry experts, our consulting service offers end-to-end solutions to boost efficiency, drive profitability and achieve clinical excellence.

HOW ENTERPRISE CONSULTING SOLVES DSO CHALLENGES IN DRIVING PRACTICE GROWTH

ACTIVATE GROWTH POTENTIAL

Generate customer demand and address opportunities in existing patient cohorts

IMPROVE OPERATIONAL EFFICIENCY

Increase case efficiency and throughput and how to optimize and improve existing workflows

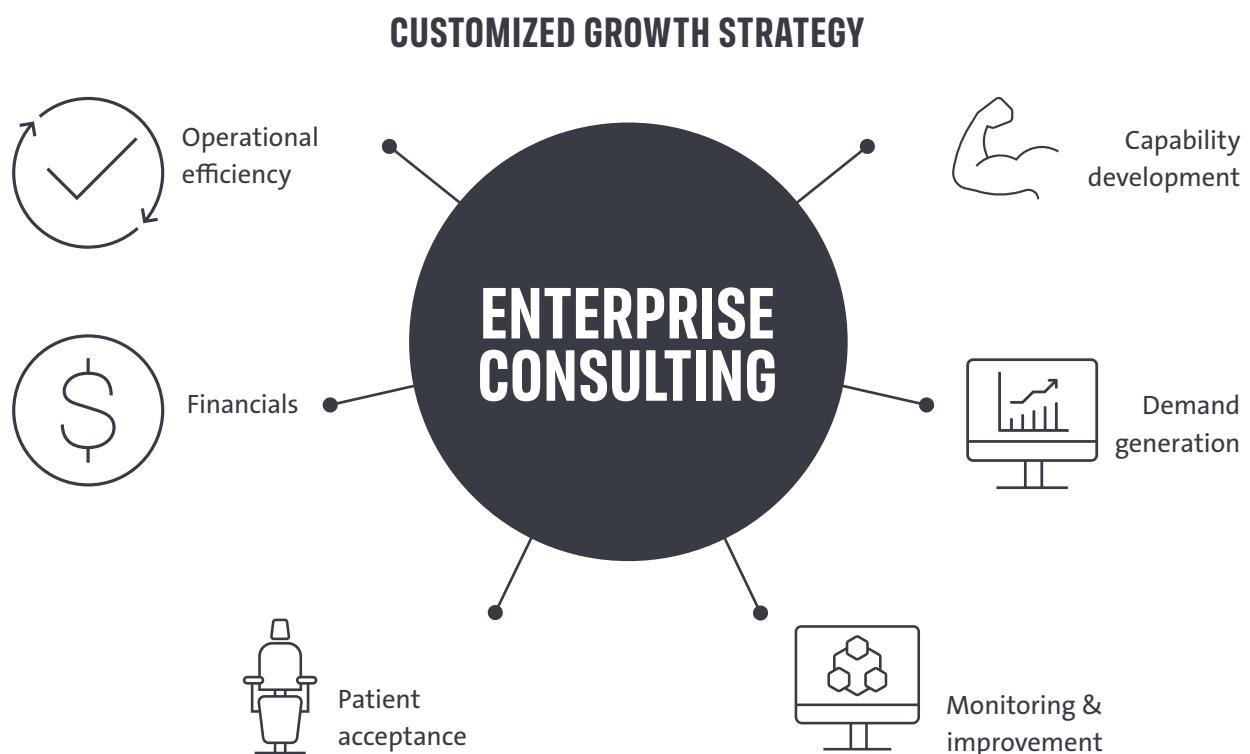

SUSTAIN CLINICAL EXCELLENCE

Reduce variability in clinical and business operations and increase team expertise.

Enterprise consulting provides the competitive edge when growth matters

With a customized growth strategy, executed by providing change and project management expertise, enterprise consulting matches business systems along with in-practice training and implementation support.

ELEVATE CLINICAL EXCELLENCE ENHANCE OPERATIONAL EFFICIENCY ACTIVATE GROWTH POTENTIAL.
