

Genesis Continuing Dental Education

TARGET AUDIENCE

GPs, Specialists and Dental Teams

DATES

Immediacy: on request

Full Arch: June 23 – 24, 2023

COURSE FEE

\$2,000 - \$3,500

REASONS TO ATTEND:

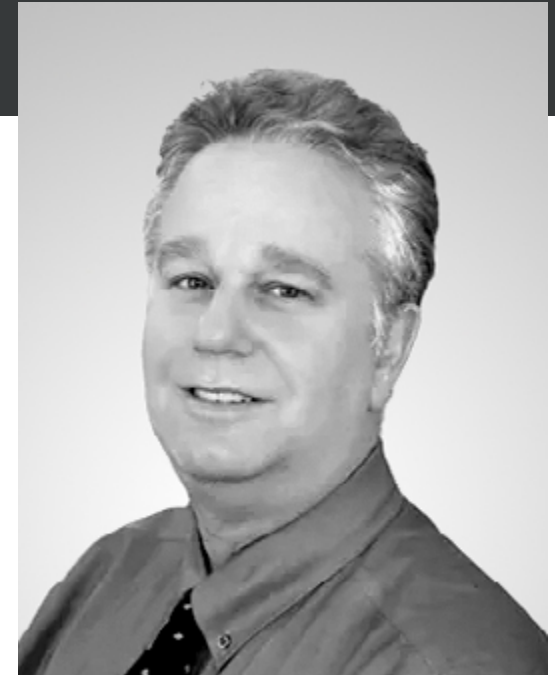

Embracing Immediacy and Full Arch Fixed Solutions as a patient-centered implant prosthodontic treatment solution. How best to have the entire team embrace and advocate for Immediacy. A combination of live surgeries and hands-on training. Surgical and prosthodontic tips and tricks learned over the past two decades will be shared, as well as a discussion on how to best communicate the benefits of this transformative treatment solution to your patients.

COURSE OVERVIEW

This small-group comprehensive 2-day program consists of a series of live and previously recorded surgeries, formal presentations, group discussions and hands-on training, dental teams will become familiar with the merits of prescribing the Straumann BLX Implant for a variety of Immediacy Protocols including the single tooth and full arch solutions.

TOPICS

- Guided Immediacy
- Patient Management
- Digital workflow
- BLX
