

ÅPNINGSTIDER I SOMMER

Kundeservice og Digital Support har åpent hele sommeren, bortsett fra uke 29 og 30 (13. -24.7.). Digital Support har også stengt fredag 19.6.

Fredag 10.7. er bestillingsfrist kl 11:00 for å kunne garantere utsendelse før ferien.

Du kan fremdeles legge inn ordre, returer, reklamasjoner og håndtere fakturaer i vår eShop www.straumann.no/eshop. Vi behandler disse når vi er tilbake 27.7.

Avvik i august

Kundeservice og Digital Support er ikke tilgjengelig på tlf 12.8. og 13.8. pga konferanse.

Ordrene vil sendes fra oss så fort de er håndtert etter 14.8.

Vi ønsker alle våre kunder en riktig god sommer!
