

Simeda compatibility List Implants Platforms

Simeda® restorations are warranted under the general warranty terms and conditions defined in the Serenity® program, taking into account the warranty limitations outlined in the "Custom Denture Design Manual" and listed below.

Our libraries are available with :
3Shape; DentalWings; Exocad,

Material
Ti : Titanium
TiA: Additive Titanium
Co: Cobalt Chromium
Zi : Zirconia

Warranty 1 : No warranty in Zirconia
limits 2 : Not recommended for plural retained frames
3 : Model shipment mandatory

Updated on : 1 September 2022

Simeda® at your service
You have a job to do from a digital from a digital print and you are looking looking for compatibility with an original original scan body
Please contact us!
Every day we develop new new compatibilities every day.
