will be available via Wordly
through the Event App.*

Certificate

Each attendee will receive an electronic **certificate of attendance** confirming participation in 15 hours of continuing dental education.

THURSDAY 03.09.2026
INNOVATION FORUM

MODERATORS: ANDREAS UTZ AND EIRIK SALVESEN

Time	Where	Session	Title	Speaker
12:30 – 14:00	Check-in & Experience zone		Registration & lunch	
14:00 – 14:15			Introduction Straumann	Andreas Utz and Eirik Salvesen
14:15 – 14:40			How to integrate digital tools for immediate clinical outcomes	Laurence Adriaens
14:40 – 15:05			How to maximize lab flexibility with a modern internal connection and versatile implant system	Vincent Fehmer
15:05 – 15:30	Main plenary	Innovative clinical concepts & efficient workflows for everyday practice	How to enhance esthetic planning and patient communication with smile design	Florin Cofar
15:30 – 15:55			Why digital workflows are essential for high-esthetic outcomes	Gustavo Giordani
15:55 – 16:20			How to avoid grafting with short implants: understanding the potential of new protocols	Gabor Tepper
16:20 – 16:45			How to deliver a rapid full-arch temporary with guided ProArch	Karim Dada and Léon Pariente
16:45 – 17:00			Session closing	Andreas Utz and Eirik Salvesen
17:00 – 18:00	Experience zone		Welcome apero	

Simultaneous translation will be available via Wordly through the Event App.

THURSDAY 03.09.2026
PARALLEL SESSIONS
STRAUMANN® REGENERATIVE FORUM

Time	Where	Session	Title	Speaker
12:30 – 14:00	Experience zone		Registration & lunch	
14:00 – 14:15			Introduction	Susy Linder and Istvan Urban
14:15 – 15:00			Enhancing esthetic outcomes in implant therapy with Straumann® Emdogain®	Istvan Urban
15:00 – 15:30			Socket management: building the esthetic foundation	Larissa Steigmann
15:30 – 16:00	Parallel hall	Creating and preserving esthetic implant success	Immediacy in the esthetic zone: guiding biology through regeneration for long-term success	Cem Yildiz
16:00 – 16:45			Saving the implant: effective implant surface decontamination in peri-implantitis	Istvan Urban
16:45 – 17:00			Integrating the journey: key learnings and clinical take-home messages	Istvan Urban
17:00 – 18:00	Experience zone		Welcome apero	

FRIDAY 04.09.2026
DAY 1

HOSTS: BIRGITTE SKADBORG, EIRIK SALVESEN

Time	Where	Session	Title	Speaker
08:00 – 08:30	Check-in		Registration	
08:30 – 08:45			Introduction hosts	Birgitte Skadborg and Eirik Salvesen
08:45 – 09:00			Welcome from Straumann	Andreas Utz and Shelly Akazany
09:00 – 09:15			How to excel in everyday implant cases: digital workflows & soft tissue grafting	Samuel Akhondi
09:15 – 09:45	Main plenary	Esthetic zone	Why long-term evidence matters: three decades of clinical performance	Urs Belser
09:45 – 10:30			Why hybrid design and engineering matter in preventing peri-implant complications	Daniel Buser
10:30 – 10:55			Why tissue management and implant design define peri-implant health	Istvan Urban
10:55 – 11:20			How to achieve high-end esthetics with a same-day temporary workflow	Oscar Gonzalez
11:20 – 11:30			Session closing	Birgitte Skadborg and Eirik Salvesen
11:30 – 13:00	Experience zone		Lunch	
13:00 – 13:15			How to choose the right timing for single posterior implant placement: a clinical case approach	Kevser Pala
13:15 – 13:40			How to deliver a fast and predictable molar restoration with digital guidance	Mona Eide
13:40 – 14:05	Main plenary	Single-unit	How to deliver efficient single-unit restorations with an innovative workflow	Victor Clavijo
14:05 – 14:30			How to optimize same-day temporaries in a restorative workflow	Duygu Karasan
14:30 – 14:55			How to optimize efficiency and treatment outcome with a digital workflow mindset	Kay Vietor
14:55 – 15:00			Session closing	Birgitte Skadborg and Eirik Salvesen
15:00 – 15:45	Experience zone		Coffee break	

FRIDAY 04.09.2026

DAY 1

HOSTS: BIRGITTE SKADBORG, EIRIK SALVESEN

Time	Where	Session	Title	Speaker
15:45 – 16:00	Main plenary	Full-arch	How to plan predictable Full-Arch treatments: a case-based approach	Samir Abou-Ayash
16:00 – 16:25			How to streamline FP1 restorations using an end-to-end digital workflow	David Norre and Venceslav Stankov
16:25 – 16:50			How to upgrade your full-arch workflows	Ana Ferro
16:50 – 17:15			How to integrate surgical and prosthetic digital workflows in full-arch cases	Algirdas Puisys
17:15 – 17:30			Session closing	Birgitte Skadborg and Eirik Salvesen
19:00 – 01:00	THE NIGHT (if registered; please check the shuttle times in the event app)			

FRIDAY 04.09.2026
PARALLEL SESSION
DAY 1
MODERATOR: DANIEL NEVES
clearcorrect
 A Straumann Group Brand

Time	Where	Session	Title	Speaker
08:00 – 08:30	Check-in		Registration	
08:30 – 09:00			The power of partnership: empowering professionals to transform smiles	Laura Sterling
09:00 – 09:30			From vision to strategy: digital orthodontic treatment planning	Kay Vietor
09:30 – 10:10	Parallel hall	The connected orthodontic journey 1	Capturing the smile: the foundation of modern orthodontics	Jasper Thoolen
10:10 – 10:50			Seeing the whole picture: interdisciplinary orthodontic diagnosis	Daniel Neves
10:50 – 11:30			Engaging the patient: communication as a clinical tool	Merete Bratheland
11:30 – 13:00	Experience zone		Lunch	
13:00 – 13:40			DM Partnership: rethinking the way we treat smiles	Philippe Salah
13:40 – 14:20	Parallel hall	The connected orthodontic journey 2	Executing the plan: orthodontics within comprehensive care	Ignacio Pastor
14:20 – 15:00			ClearCorrect perspectives: innovation, integration, impact - Round table moderated by Daniel Neves	Andrea Bazzucchi, Philippe Salah, Jasper Thoolen, Paolo Manzo
15:00 – 15:45	Experience zone		Coffee break	
15:45 – 16:30	Parallel hall	The connected orthodontic journey 2	Monitoring progress: guiding treatment beyond alignment	Paolo Manzo
16:30 – 17:30			The future of orthodontics: a connected and continuous journey	Andrea Bazzucchi
19:00 – 01:00			THE NIGHT (if registered; please check the shuttle times in the event app)	

SATURDAY 05.09.2026
DAY 2

HOSTS: BIRGITTE SKADBORG, EIRIK SALVESEN

Time	Where	Session	Title	Speaker
09:30 – 09:45			Introduction hosts	Birgitte Skadborg and Eirik Salvesen
09:45 – 10:05			How to make full-arch cases predictable: surgical–prosthetic digital teamwork	Erdem Kilic and Kerem Kilic
10:05 – 10:30			How to upgrade your full-arch prosthetic workflows	Armando Lopes
10:30 – 10:55	Main plenary	Multidisciplinarity and complex cases	How to manage complex cases with a surgical-orthodontic approach	Jasper Thoolen
10:55 – 11:20			How to achieve predictable outcomes through prosthodontist-technician synergy	Duygu Karasan and Vincent Fehmer
11:20 – 11:45			How to manage specialty implant cases with advanced surgical protocols	Sepehr Zarrine
11:45 – 12:00			Session closing	Birgitte Skadborg and Eirik Salvesen
12:00 – 13:30	Experience zone		Lunch	
13:30 – 13:50			How to level up immediates - why quality beats numbers	Paul Grogger and Clemens Springer
13:50 – 14:15			How to rethink your strategy for long-term practice growth	Eirik Salvesen
14:15 – 14:40			How to grow beyond the clinic: nine things nobody trained me for, and the instinct that's been filling the gaps	Juan Arias Romero
14:40 – 15:05	Main plenary	Business growth (NextLeaders)	How to transform patient experiences into business growth	Krzysztof Chmielewski
15:05 – 15:30			How to build and scale a leading treatment philosophy	Ana Ferro and Armando Lopes
15:30 – 16:30			How to make aging a choice - eat, move, live longer and healthier (keynote lecture)	Ferdinand von Meyenn
16:30 – 16:40			Wrap-up event	Andreas Utz, Birgitte Skadborg and Eirik Salvesen
16:40 – 17:40	Experience zone		Farewell apero
